

Flight Site

The Landing Zone/Scene Safety Kit

Flight Site, Helicopter Landing Zone/Scene Safety Kit. **Flight Site** will identify your helicopter landing zones in the safest and most effective way possible. With thousands of **Flight Site** landing zones in service, this system has proven to be an outstanding contribution to **Medivac/Rescue Teams**. This five-strobe system with its **12,800 ft. ceiling** identifies the landing zone to the pilots from great distances. **Flight Site** with its **Non Vision Impairing** flash saves pilots precious life-saving time while pinpointing landing zones with extreme accuracy. **Flight Site is easy to use and is quickly deployed**. Our patented weightwashers will not allow the strobes to move even under the heaviest rotorwash conditions. **Flight Site** has many diverse applications that can be applied to your department's operations. Enhance your high-rise operations by using our multi colored strobes to identify floor-to-floor operations or by marking your water supply lines in roadways to motorists. You will now have the capabilities to do these and many more applications with the very affordable, **Flight Site Landing Zone/Scene Safety Kit**. **Flight Site** will enhance your **Medivac/Rescue** delivery while at the same time add a multipurpose tool to your department.
